

Statement of Principles for CARE Attorneys

I hereby commit to adhere to the Communication, Apology, and Resolution (CARE) goals and best practices when representing a client after an adverse medical event.

1. I have attended a Bar Association presentation on the CARE Program or viewed the Mass Bar Association webcast* from Jan 21, 2015 to understand the goals and philosophy of the CARE program.
2. I will abide by MACRMI's *Best Practices for Attorneys Representing Patients in CARE Programs*. (See attached)
